Design, colour, style...
they're all important in
a kitchen.

But just as important is understanding the way
they work together. And the way they work
for the people who use their kitchen every
day. For HOXTON, this meant researching the
latest trends and testing colours and finishes,
to create a kitchen range everyone will love.

ARLINGTON

Shaker-inspired, this mix of traditional style and contemporary minimalism made from solid ash offers a simple look enhanced by a beautiful grain. Available in 14 different shades.

ASKE

For a 'statement kitchen', Aske's crisp lines take some beating with seamless edges and discreet 'J' handles for a smooth, uncluttered look. Choose from 14 colours or a lacquered finish.

BOUNDARY

A fresh twist on the classic Shaker, this design is available in six fashionable shades with an elegant matt finish. Beautiful proportions and practical style make it perfect for any kitchen.

HIGHBURY

A handsome raised panel design suited to both traditional and contemporary looks – simply add individual touches with your choice of colour, handles and accessories. Very chic, very you.

STONEBRIDGE

The true beauty of solid oak shines through, with individuality in each grain pattern. Subtle details add a certain flair to its pure lines – no wonder it's such a popular choice.

VALLANCE

Cool and collected, with a choice of elegant matt finishes or glamorous high gloss lacquers, Vallance's geometric shapes and smooth surfaces are set off to perfection by J-Pull handles.

Choosing the right colour for your kitchen is vital, so the printed colours you see here have been as carefully matched as possible to the actual finished product. Rather than stop there though, we also have samples available which should always be part of the selection process.

ARLINGTON

It's a place to entertain and relax, the room everyone heads for at parties.

The broad frame and deep sunken panel of our Arlington range really catches the eye, its minimal square edges and subtle joint detail reflecting the purity of Shaker style.

Crafted from solid Ash with an Ash-veneered centre panel, each door features the distinctive wood grain combined with beautiful pastel shades. Choose from the standard Ivory or thirteen other colours.

ASKE

Sometimes a kitchen just *has* to make a statement.

Neat, well-organised, effortlessly stylish...modern kitchens are many things, but thanks to its stunning range of painted finishes Aske adds character to the list.

Mixed with strong, geometric lines, elegant details, and natural depth of a woodgrain it adds a deliciously cool twist to the concept of the contemporary kitchen. It's more than a place to prepare dinner – it's a culinary work of art. Available in one lacquered finish or any of our fourteen pastel shades.
